

What You Can Do Now

Easy action items

Pledge to Vote

environmentalvoter.org/sign-the-pledge

Promising to vote (and then being reminded of that promise) dramatically increases someone's likelihood of voting.

Volunteer

environmentalvoter.org/get-involved

Each week we mobilize environmentalists to vote in elections across the country. We need canvassers, callers, and email/online activists.

Be a Loud & Proud Environmental Voter

Peer pressure works. Make sure your friends know that being a voter is important to you as a person and as an environmentalist.
